THURSDAY BARGAIN SALE

Two Hundred Dozen Mendel's Wrappers 79c

Worth Up to \$2.00 and \$2.50

Tomorrow we place on sale the biggest purchase of Wrappers ever made in Washington—and the most important. Two hundred dozen of the celebrated Mendel's make Wrappers, worth up to two dollars and a half, were secured to sell at one-half to one-third regular prices. This big lot consists of the factory surplus and seconds of the famous "Mendel's make" Wrappers and House Garments. The word "second" in this case does not mean that they are damaged. The faults are nothing more serious than a tiny oil spot dropped from the machinery, a dropped stitch, uneven hem, or other trifling imperfection. Most makers would call them perfect—but the standard of excellence in all Mendel's make garments is so high that these are classed as "seconds." The lot embraces White India Linons, sheer Figured Lawns, Percales, in light and dark grounds, and French Lawns; in scores upon scores of styles—each one prettier than the other. The White Lawns are made with tailor-made tucked yokes and embroidery and lace trimmed collars. Others are made with round collars of colored embroidery, some are made with handkerchief sailor collar effect, and finished with satin ribbons. There are any number of dainty colored lawns, with beautiful designs of pink or light blue. Trimmed with turn-over collar of embroidery and tucked down the back. There are finest grade Percale Wrappers, in light, medium, and dark colors, in a wide range of tailor made effects, trimmed with folds and neat ruffles. Others are in splendid shades of gray, navy blue, cadet, red, and black grounds, with white figures. Every garment is finished with full flounce at the bottom. The sleeves are made extra full. Finished in the best dressmaker fashion, full cut over the hips and finished with every possible care. All sizes—with plenty of the larger sizes for stout women—including 42, 44, and 46.
